1. To create a new aircraft, on the Aircraft Registration Webtop Module" screen press green "NEW" button, and editor will be appeared.

2. Enter A/C Registration and A/C serial number. Select type of aircraft and enter operator name. If it is necessary fill Remarks field. Click on the "SAVE" button.

3. After saving you can monitor created aircrafts in the initial "Aircraft Registration Webtop Module" screen. Check ACTIVITY box.

4. Push on the blue "EDIT" button and AIRCRAFT EDITOR will be appeared. Change the data and click on the Save.

5. To remove the line, click on the red "DELETE" button and DELETE window will be appeared. Push on the DELETE or CANCEL to close this window.
